-

FLOOR APPLICATIONS

Our white marbles are ideal for both indoor and outdoor floor applications, adding durability and elegance to your living spaces.

Combining aesthetics and natural beauty, we give your walls a sophisticated look.

WALL CLADDINGS

KITCHEN & BATHROOM COUNTERTOPS

Add elegance to your kitchens and bathrooms with our durable and stylish white marble countertop options.

POOL SURROUNDINGS

With slip-resistant surfaces and water resistance, our marbles provide both safety and style around pools.

BATHROOM & TOILET SURFACES

Ideal for those seeking hygienic, durable, and aesthetic solutions. Brings natural elegance to modern bathrooms.

PRODUCT CATALOGUE

At E & T Marble, we proudly offer three exclusive natural stones tailored to suit a wide range of design aesthetics and architectural needs:

- **Carrara** features a bright white base with subtle gray veining, creating a clean, airy, and timeless look. It enhances light and space, making it perfect for modern applications.
- **Nero Pietra**, with its striking blue-gray veins over a white background, delivers a sense of movement and artistry. Every slab feels like a piece of natural art — ideal for luxurious and contemporary designs.
- **Traverten** showcases near-black, deep gray tones for bold, sophisticated spaces. Its rich color and high durability make it the go-to choice for commercial areas and high-traffic environments.

CARRARA TILES

CARRARA

A Timeless Symbol of Purity and Elegance

One of Turkey's most distinguished white marbles, Carrara features a crisp white background with elegant gray veining, making it a perfect match for both classic and modern architectural designs.

Known for its consistency and lasting beauty, Muğla White stands out in both residential and commercial projects thanks to its high durability and refined aesthetic.

Known for its consistency and lasting beauty, Muğla White stands out in both residential and commercial projects thanks to its high durability and refined aesthetic.

NERO PIETRA TILES

NERO PIETRA (3*6)

A Bold and Timeless Touch for Modern Architecture

Nero is a deep, dark gray marble, almost black, with a strong and refined presence. Its uniform texture and subtle veining make it ideal for both contemporary and luxurious designs. Whether in interior or exterior spaces, Nero delivers bold character and visual impact.

Thanks to its high density and low porosity, it resists wear and retains its sleek look for years. Nero is the perfect choice for those who want to combine strength with refined aesthetics.

NERO PIETRA (4*12)

A Bold and Timeless Touch for Modern Architecture

TRAVERTEN TILES

TRAVERTINE

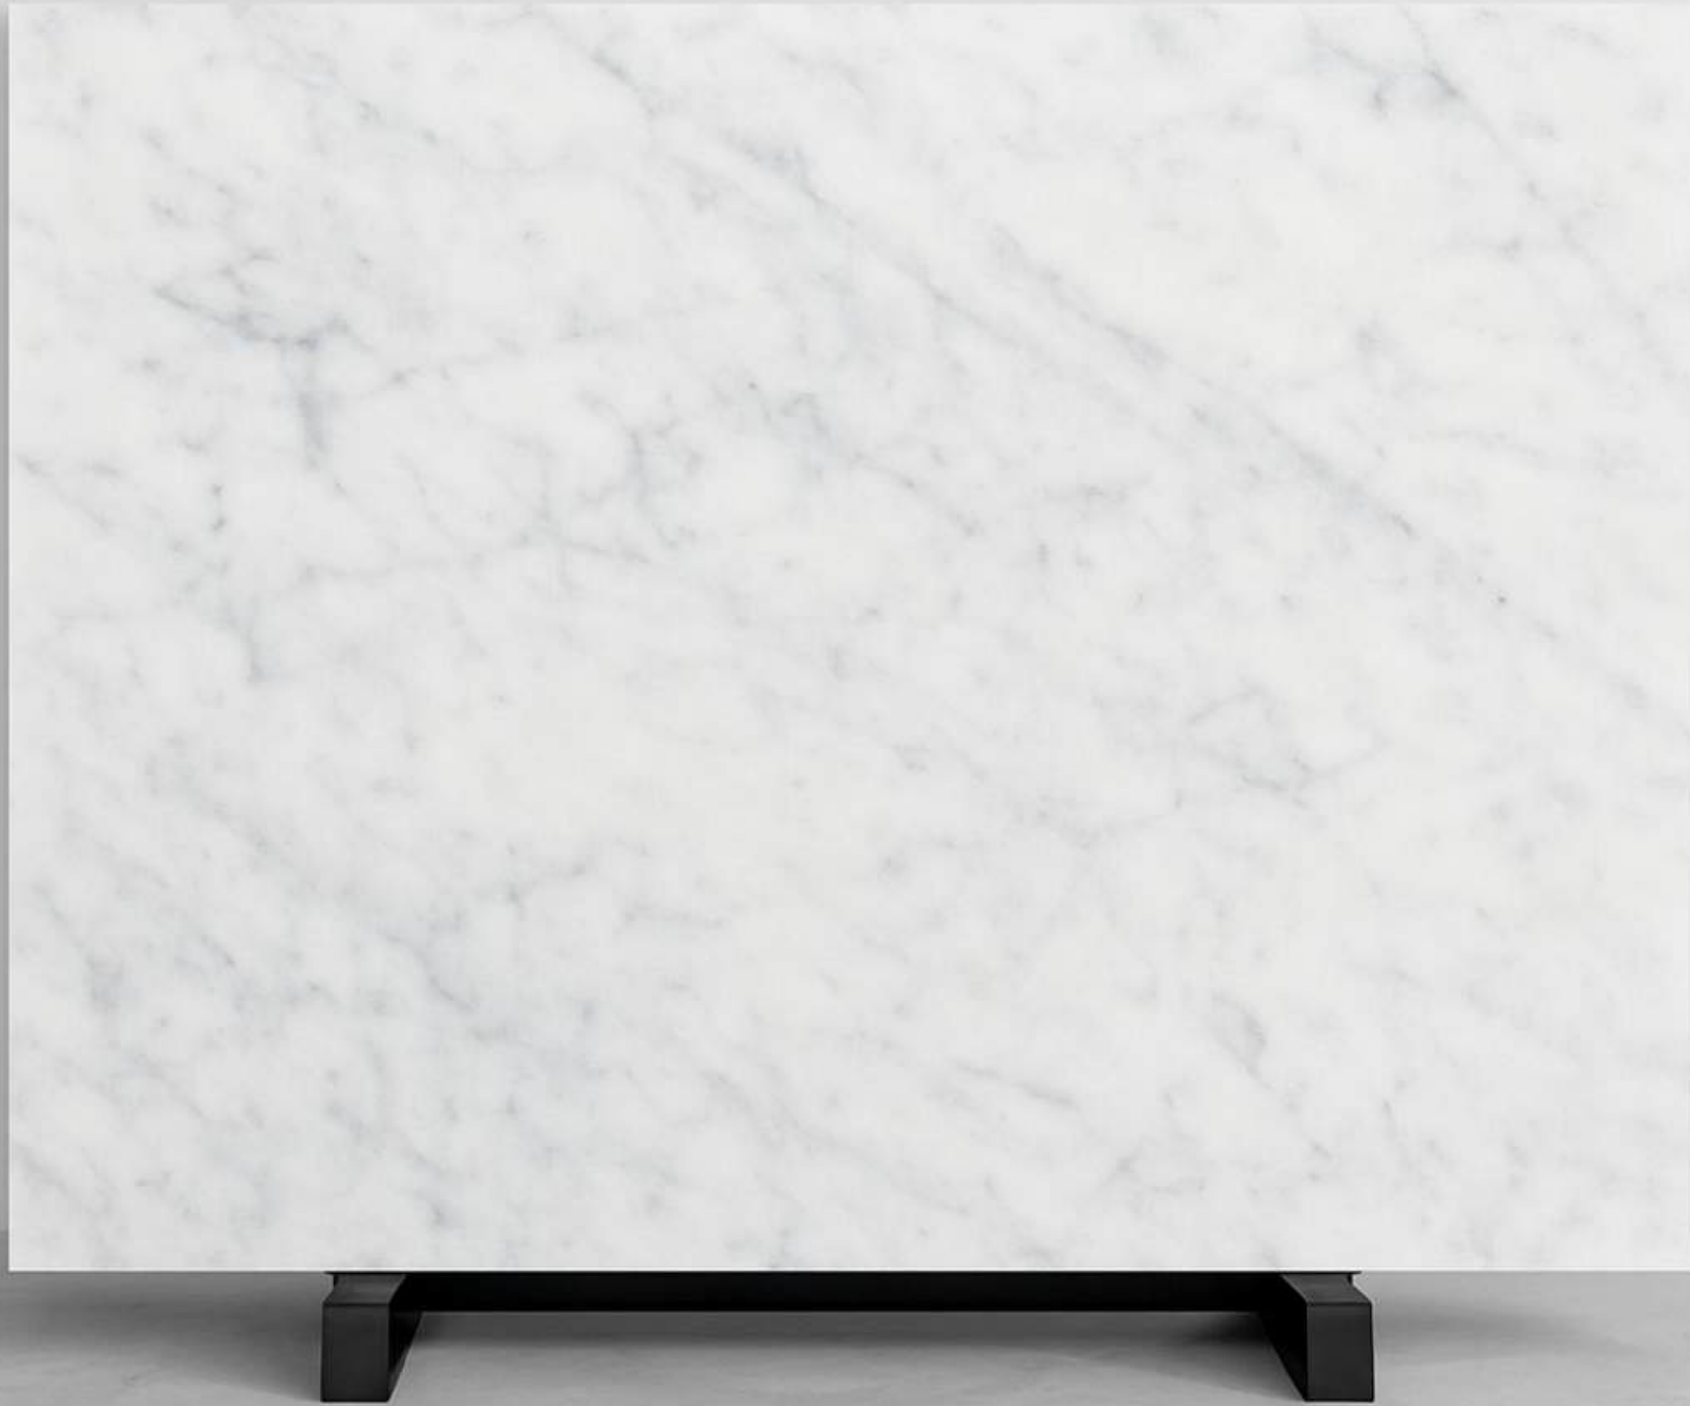

Travertine – The Timeless Texture of Nature

Travertine is a unique natural stone formed over thousands of years as mineral-rich underground waters solidify. With its warm and neutral tones, it brings a natural warmth to spaces, blending perfectly with both modern and classic designs. Thanks to its porous structure, it breathes naturally and can be finished in matte, honed, or polished surfaces depending on the desired look.
